DOCKETED BY

IN THE MATTER OF THE APPLICATION OF  
 SOLARCITY CORPORATION FOR A  
 DETERMINATION THAT WHEN IT PROVIDES  
 SOLAR SERVICE TO ARIZONA SCHOOLS,  
 GOVERNMENTS, AND NON-PROFIT ENTITIES  
 IT IS NOT ACTING AS A PUBLIC SERVICE  
 CORPORATION PURSUANT TO ART. 15,  
 SECTION 2 OF THE ARIZONA CONSTITUTION.

DOCKET NO. E-20690A-09-0346

PROCEDURAL ORDER**BY THE COMMISSION:**

On July 2, 2009, SolarCity Corporation ("SolarCity" or "Company") filed with the Arizona Corporation Commission ("Commission") an application to determine that when SolarCity provides solar service to Arizona schools, governments, and non-profit entities it is not acting as a public service corporation pursuant to Article 15, Section 2 of the Arizona Constitution ("Application"). The Application requested expedited consideration of two specific Solar Service Agreements ("SSAs") it has entered into with the Scottsdale Unified School District.

On July 10, 2009, a telephonic procedural conference was held for the limited purpose of (1) discussing issues related to public notice of the Application, and (2) a suitable date for a procedural conference to discuss an appropriate procedure for processing the Application. Counsel for SolarCity and the Commission's Utilities Division ("Staff") appeared telephonically and discussed those issues.

On July 10, 2009, following the telephonic procedural conference, a procedural order was issued setting a procedural conference to be held on July 16, 2009, for the purpose of discussing an appropriate procedure for processing the Application. The procedural order also directed publication and mailing of notice of the Application and the July 16, 2009, procedural conference.

On July 13, 2009, the Company filed a Notice of Filing Service List and Form of Notice.

On July 13, 2009, the Residential Utility Consumer Office ("RUCO") filed an Application to

1 Intervene.

2 On July 14, 2009, the Salt River Project and Improvement District ("SRP") and Arizona  
3 Public Service Company ("APS") each filed a Motion to Intervene.

4 On July 15, 2009, the Company filed a Notice of Filing Affidavit of Publication and  
5 Certification of Mailing.

6 On July 16, 2009, Tucson Electric Power Company ("TEP") and UNS Electric, Inc. ("UNS  
7 Electric") jointly filed a Motion to Intervene.

8 On July 16, 2009, Navopache Electric Cooperative ("Navopache") filed an Application to  
9 Intervene.

10 On July 16, 2009, K.R. Saline & Associates, PLC filed a request to be added to service list.

11 On July 16, 2009, SolarCity filed a Notice of filing Supplemental Exhibit.

12 On July 17, 2009, Freeport-McMoRan Copper and Gold Inc. ("Freeport-McMoRan") and  
13 Arizonans for Electric Choice and Competition ("AECC") jointly filed an Application for Leave to  
14 Intervene.

15 On July 17, 2009, Mohave Electric Cooperative ("Mohave") filed an Application to Intervene.

16 A procedural conference was convened as scheduled on July 16, 2009. Appearances were  
17 entered through counsel for SolarCity, APS, SRP, TEP, UNS, Navopache, Mohave, Freeport-  
18 McMoRan, AECC, RUCO, and Staff. Five of those entities had already requested intervention, and  
19 counsel for the others indicated that they intended to file intervention requests. Counsel for SolarCity  
20 indicated that SolarCity did not oppose the interventions. Intervention was granted at the procedural  
21 conference with the understanding that a procedural order would follow formally granting the  
22 interventions.

23 SolarCity's proposal for a truncated procedure would limit discovery to one round ending by  
24 July 21, 2009, with responses due July 27, 2009. The proposal did not include any prefiled  
25 testimony, and called for a briefing schedule ending on August 11, 2009, and a Decision by the  
26 Commission no later than August 31, 2009.

27 There was general agreement among those present at the procedural conference that a  
28 Commission determination on the issue of whether an entity is a public service corporation requires

1 an application of the factors set forth in *Natural Gas Serv. Co. v. Serv-Yu Cooperative*<sup>1</sup> to the  
2 particular facts of each case any time an entity requests relief similar to that requested by SolarCity in  
3 the Application. There was also general agreement that such an adjudication process would require  
4 an evidentiary hearing in order for the Commission to have an adequate record upon which to base its  
5 Decision. The general response to SolarCity's proposed procedural schedule was that it would not  
6 allow sufficient time for the development of an evidentiary record necessary to support the requested  
7 relief.

8 Staff stated that it believes there is merit in SolarCity's request to expedite the processing of  
9 Application. Staff indicated, however, that the time required to complete the discovery and analysis  
10 necessary for Staff to prepare a Staff Report and recommendation to the Commission would take  
11 considerably more time than the expedited timeframe requested by SolarCity would provide. Staff  
12 therefore opposed SolarCity's proposed truncated procedural schedule for processing the Application.

13 Staff proposed an alternative form of relief that would meet the Company's stated need to  
14 quickly move forward with a Commission determination regarding the Scottsdale Unified School  
15 District SSAs. Staff's procedural proposal consists two tracks. The first track would consist of an  
16 initial evaluation of the SSAs under the criteria used for analysis of special contracts. The second,  
17 parallel, track would consist of an evaluation of the Application as a whole under the criteria for  
18 adjudication not a public service corporation. Staff explained that its proposed process could result in  
19 SolarCity receiving provisional authorization, if the Commission believes it to be in the public  
20 interest, to move forward with the Scottsdale Unified School District SSAs prior to completing the  
21 processing of the Company's adjudication request. Staff indicated that this two-track process could  
22 be accomplished without prejudice to the Company's legal position that it is not a public service  
23 corporation.

24 Staff's proposal includes Commission consideration of the SSAs as special contracts at an  
25 Open Meeting of the Commission prior to an adjudication hearing. Staff's proposed timeframe for  
26 the special contract analysis of the two SSAs includes the filing of a Staff Report and Recommended  
27

---

28 <sup>1</sup> *Natural Gas Serv. Co. v. Serv-Yu Cooperative*, 70 Ariz. 235, 219 P.2d 324 (1950).

1 Order on August 11, 2009. Staff indicated that the Staff Report and Proposed Order would include  
2 Staff's evaluation of the SSAs, and Staff's recommendations regarding whether the Commission  
3 should grant the Company provisional authority to move forward with the Scottsdale Unified School  
4 District SSAs pending completion of the processing of the Company's adjudication request. Staff's  
5 proposed timeframe would allow a deadline of August 21, 2009, for filing exceptions to the Proposed  
6 Order, which would allow Commission consideration of the Proposed Order as early as the Regular  
7 Open Meeting of the Commission scheduled for August 25, 2009.

8 Staff believes its proposed adjudication hearing schedule would allow sufficient time for the  
9 evidentiary inquiry and analysis necessary to inform the parties' recommendations to the  
10 Commission. Staff's proposed hearing schedule for the adjudication analysis begins with the filing of  
11 direct testimony by the Company in August, 2009, and includes time for subsequent discovery and  
12 the preparation of direct testimony to be filed in September, 2009, by Staff and intervenors. Staff  
13 emphasized that meeting its proposed expedited hearing schedule would require extensive  
14 cooperation from SolarCity in responding to discovery requests in an expedited manner.

15 SolarCity and the parties present at the procedural conference were in general agreement with  
16 Staff's procedural proposal and associated timeframes.

17 Staff's two-track proposal for evaluating the Application would allow the Commission to  
18 evaluate the SSAs under the standards used to evaluate special contracts concurrently with the  
19 processing of the Application, which will include a full adjudication analysis, on a parallel track. The  
20 two-track proposal is reasonable, in that it will allow expedited Commission consideration of the  
21 SSAs as special contracts, at the same time that discovery and hearing preparation begins for the  
22 adjudication analysis, which by its nature, requires a longer timeframe to complete. Staff's proposal,  
23 while abbreviated, should provide time to develop an appropriate evidentiary record for a  
24 Commission determination on the adjudication request, as long as the Company is cooperative in  
25 responding to discovery requests in an expedited manner.

26 Staff's procedural proposal is reasonable and will be adopted.

27 IT IS THEREFORE ORDERED that intervention is hereby granted to the Residential Utility  
28 Consumer Office, the Salt River Project and Improvement District, Arizona Public Service Company,
